

"He makes me crazy!"

You know that feeling... the one where you can't understand why your friend doesn't understand you. Interacting with those around us can be frustrating because we're all so different. *The Amazing Temperaments* study is here to help!

Discover how God has uniquely made you and others. Are you better with people or projects? Does your co-worker want to enjoy life or conquer it? By identifying well-known Bible characters like Moses and Paul, you'll understand the Scriptural perspective of the four different personality types. You'll recognize the differences—both strengths and weaknesses—and thank God for how we can all fit together.

With a sprinkling of humor and Biblical depth, *The Amazing Temperaments* reveals a new perspective on you and everyone around you. Learn to appreciate others—and even like them!—despite your differences.

Your fascinating six-week journey of discovery begins now!
