

Instructions for Video Streaming

From time of purchase, you will have **72 hours** to view the video. It does not download to your computer, so you must be connected to the internet to view.

1. Login

To purchase online video streaming, you must first create an account at BigDreamMinistries.org or log into your existing account. Select **My Account** at the top right of our website to login or register a new account. You must be logged into your account before purchasing.

2. Select Video and Purchase

Select **Stream** from the top of our website menu, or from the **Store** side-menu. Add your video selection to the cart, proceed to checkout and pay with credit card.

3. View

Once you have completed the purchase, the download information will appear on your screen. You can view the video now by clicking on the green button, or you can view it later by returning to **My Account**.
